### Colorado Collaboration Initiative

Dear Colorado Business,

Christ Executive Officer Colorado Initiative (CEOCI) is a Colorado based non profit 501 © (3) tax exempt organization. Join us as we continue to build a robust program assisting those directly impacted by COVID-19, facing homelessness, and requiring essential services.

We offer essential services through strategic collaboration. Some of our collaboration services include providing weekly mobile feedings, lodging, clothes, baby formula (essential items), on-line resources, emergency mechanical services, job training, and other areas that assist based on availability.

If your offices are able to provide any in kind donations, product donations, discounts, goods or services, or financial contributions we would greatly appreciate your support. For more information you can visit [www.CEOCI.co](http://www.CEOCI.co) or mail any goods or services to the following address:

- Christ Executive Officer PO Box 473285 Aurora, CO 80047.
